Emerging growth company

If an emerging growth company, indicate by check mark if the registrant has elected not to use the extended transition period for complying with any new or revised financial accounting standards provided pursuant to Section 13(a) of the Exchange Act.

Item 8.01 Other Events.

On June 19, 2020, Evoke Pharma, Inc. (“Evoke” or the “Company”) announced that the U.S. Food and Drug Administration (“FDA”) has approved the New Drug Application (“NDA”) for GIMOTI™ (metoclopramide) nasal spray, the first and only nasally-administered product indicated for the relief of symptoms in adults with acute and recurrent diabetic gastroparesis.

The Company currently expects to launch commercial sales of GIMOTI in the fourth quarter of 2020 through its commercial partner Eversana Life Sciences Services, LLC (“EVERSANA”).

The FDA approval of GIMOTI allows Evoke to access its existing \$5 million line of credit from EVERSANA, to support manufacturing and other aspects of GIMOTI’s commercialization. As of May 31, 2020, the Company’s cash and cash equivalents were approximately \$4.7 million. Evoke believes, based on its current operating plan, that its cash and cash equivalents, together with the EVERSANA line of credit, will support the company’s operations into 2021, without consideration of potential GIMOTI revenue.

Safe Harbor Statement

The Company cautions you that statements included in this report that are not a description of historical facts are forward-looking statements. In some cases, you can identify forward-looking statements by terms such as “may,” “will,” “should,” “expect,” “plan,” “anticipate,” “could,” “intend,” “target,” “project,” “contemplates,” “believes,” “estimates,” “predicts,” “potential” or “continue” or the negatives of these terms or other similar expressions. These statements are based on the company’s current beliefs and expectations. These forward-looking statements include statements regarding: the timing of the commercial launch of GIMOTI and commercial activities to be conducted by EVERSANA; the potential of GIMOTI to provide an important new alternative to current treatment options; and the Company’s projected cash runway and potential to access the EVERSANA line of credit. The inclusion of forward-looking statements should not be regarded as a representation by the Company that any of its plans will be achieved. Actual results may differ from those set forth in this report due to the risks and uncertainties inherent in the Company’s business, including, without limitation: the Company’s and EVERSANA’s ability to successfully launch and drive market demand for GIMOTI and the timing thereof; the Company’s ability to obtain additional financing as needed to support its operations, including through the EVERSANA line of credit which is subject to certain customary conditions; the COVID-19 pandemic may disrupt the Company’s and EVERSANA’s business operations impairing the ability to commercialize GIMOTI and the Company’s ability to generate any product revenue; the Company’s dependence on EVERSANA for the commercialization of GIMOTI and third parties for the manufacture of GIMOTI; the Company is entirely dependent on the success of GIMOTI; inadequate efficacy or unexpected adverse side effects relating to GIMOTI that could delay or prevent commercialization, or that could result in recalls or product liability claims; our ability to obtain and maintain intellectual property protection for GIMOTI; and other risks detailed in the Company’s periodic reports it files with the Securities and Exchange Commission. You are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date hereof, and the Company undertakes no obligation to revise or update this report to reflect events or circumstances after the date hereof. All forward-looking statements are qualified in their entirety by this cautionary statement. This caution is made under the safe harbor provisions of the Private Securities Litigation Reform Act of 1995.
