##### *Beneficial Owners: Shares Registered in the Name of a Broker or Bank*

If you are a beneficial owner of shares registered in the name of your broker, bank or other agent, you should have received a proxy card and voting instructions with these proxy materials from that organization rather than directly from us. Simply complete and mail the proxy card to ensure that your vote is counted. You may be eligible to vote your shares electronically over the Internet or by telephone. A large number of banks and brokerage firms offer Internet and telephone voting. If your bank or brokerage firm does not offer Internet or telephone voting information, please complete and return your proxy card in the self-addressed, postage-paid envelope provided. ### **May I revoke my proxy?**

If you give us your proxy, you may revoke it at any time before it is exercised. You may revoke your proxy in any one of the following ways:

- you may send in another signed proxy with a later date,
- you may notify our corporate secretary, Matthew J. D’Onofrio, in writing before the annual meeting that you have revoked your proxy,
- you may notify our corporate secretary, Matthew J. D’Onofrio, in writing before the annual meeting and vote via the internet during the meeting, or
- you may submit an electronic proxy during the annual meeting.

### **What constitutes a quorum?**

The presence at the annual meeting, by virtual attendance or by proxy, of holders representing a majority of our outstanding common stock as of March 8, 2021, or 16,185,978 shares, constitutes a quorum at the meeting, permitting us to conduct our business.

### **What vote is required to approve each proposal?**

*Proposal 1: Election of Directors.* The two nominees who receive the most “For” votes (among votes properly cast at the annual meeting or by proxy) will be elected. Only votes “For” will affect the outcome.

*Proposal 2: Ratification of Independent Registered Public Accounting Firm.* The ratification of the appointment of BDO USA, LLP must receive “For” votes from the holders of a majority of the shares of common stock present or represented by proxy and entitled to vote at the annual meeting.

*Proposal 3: Approval of the Compensation of the Named Executive Officers.* The approval, on an advisory basis, of the compensation of the named executive officers must receive “For” votes from the holders of a majority of the shares of common stock present in person or represented by proxy and entitled to vote at the annual meeting.

*Proposal 4: Approval of an amendment to the Company’s Amended and Restated Certificate of Incorporation to increase the authorized number of shares of common stock from 50,000,000 to 100,000,000.* The approval of the amendment must receive “For” votes from the holders of a majority of the outstanding shares of common stock.

Voting results will be tabulated and certified by Mediant Communications LLC.

### **What is the effect of abstentions and broker non-votes?**

Shares of common stock held by persons attending the annual meeting but not voting, and shares represented by proxies that reflect abstentions as to a particular proposal, will be counted as present for purposes of determining the presence of a quorum. Abstentions are treated as shares present at the meeting or by proxy and entitled to vote, so abstaining has the same effect as a negative vote for purposes of determining whether our stockholders have ratified the appointment of BDO USA, LLP as our independent registered public accounting firm, and whether our stockholders have approved the compensation of the named executive officers and the amendment of our Amended and Restated Certificate of Incorporation to increase the authorized number of shares of our common stock. However, because the election of directors is determined by a plurality of votes cast, abstentions will not be counted in determining the outcome of such proposal.

Shares represented by proxies that reflect a “broker non-vote” will be counted for purposes of determining whether a quorum exists. A “broker non-vote” occurs when a nominee holding shares for a beneficial owner has not received instructions from the beneficial owner and does not have discretionary authority to vote the shares for certain non-routine matters. With regard to the election of directors and the advisory vote to approve the compensation of the named executive officers, broker non-votes, if any, will not be counted as votes cast and will have no effect on the result of the vote. However, ratification of the appointment of BDO USA, LLP and the approval of the amendment to our Amended and Restated Certificate of Incorporation to increase the authorized number of shares of our common stock are considered routine matters on which a broker or other nominee has discretionary authority to vote, so no broker non-votes are expected on these proposals. However, if there are any broker non-votes for the ratification of appointment of BDO USA, LLP, such broker non-votes will have no effect on the result of the vote. Any broker non-votes on the proposal to approve the amendment of our Amended and Restated Certificate of Incorporation will have the same effect as a negative vote.

### **Who is paying the costs of soliciting these proxies?**

We will pay all of the costs of soliciting these proxies. Our directors, officers and other employees may solicit proxies in person or by telephone, fax or email. We will not pay our directors, officers or other employees any additional compensation for these services. We will ask banks, brokers and other institutions, nominees and fiduciaries to forward these proxy materials to their

principals and to obtain authority to execute proxies. We will then reimburse them for their expenses. Our costs for forwarding proxy materials will not be significant.

**How do I obtain an Annual Report on Form 10-K?**

If final voting results are not available to us in time to file a Form 8-K within four business days after the meeting, we intend to file a Form 8-K to publish preliminary results and, within four business days after the final results are known to us, file an additional Form 8-K to publish the final results.

Dr. Widder's extensive knowledge of our business and history, experience as a board member of multiple publicly-traded and privately-held companies and expertise in developing and financing contributed to our board of directors' conclusion that he should serve as a director of our company.

*David A. Gonyer, R.Ph.* is one of our co-founders and has served as our President and Chief Executive Officer and as a member of our board of directors since March 2007. From 2004 to 2007, Mr. Gonyer served as Vice President, Strategic and Product Development of Medgenex, Inc., a subsidiary of Victory Pharma, Inc., a biopharmaceutical company focused on acquiring, developing and marketing products to treat pain and related conditions. From 2000 to 2004, Mr. Gonyer was a founder and Vice President of Sales and Marketing at Xcel Pharmaceuticals, Inc., a specialty pharmaceutical company focused on neurological disorders. From 1996 to 2000, Mr. Gonyer served as Director of Marketing at Elan/Dura Pharmaceuticals, Inc. From 1987 to 1996, Mr. Gonyer held a broad range of management positions in commercial operations, alliance/partnership management, and regional sales at Eli Lilly & Company. Mr. Gonyer served as a member of the board of directors of Signal Genetics, Inc., a publicly-traded, commercial stage, molecular diagnostic company focused on providing innovative diagnostic services prior to its merger with miRagen Therapeutics in 2017 and Neurelis, Inc., a privately held neurological specialty pharmaceutical company. Mr. Gonyer is a Registered Pharmacist and holds a B.Sc. in Pharmacy from Ferris State University School of Pharmacy. As one of our co-founders and having served as our Chief Executive Officer since March 2007, Mr. Gonyer's extensive knowledge of our business, as well as 34 years of experience in the pharmaceutical industry, including executive leadership in several pharmaceutical companies, contributed to our board of directors' conclusion that he should serve as a director of our company.

### **Board Independence**

Our board of directors has determined that all of our directors are independent directors within the meaning of the applicable Nasdaq Stock Market LLC, or Nasdaq, listing standards, except for David A. Gonyer, R.Ph., our President and Chief Executive Officer.

### **Board Leadership Structure**

Our board of directors is currently led by its chairman, Cam L. Garner. Our board of directors recognizes that it is important to determine an optimal board leadership structure to ensure the independent oversight of management as the company continues to grow. We separate the roles of chief executive officer and chairman of the board in recognition of the differences between the two roles. The chief executive officer is responsible for setting the strategic direction for the company and the day-to-day leadership and performance of the company, while the chairman of the board of directors provides guidance to the chief executive officer and presides over meetings of the full board of directors. We believe that this separation of responsibilities provides a balanced approach to managing the board of directors and overseeing the company.

### **The Board's Role in Risk Oversight**

Our board of directors has responsibility for the oversight of the company's risk management processes and, either as a whole or through its committees, regularly discusses with management our major risk exposures, their potential impact on our business and the steps we take to manage them. The risk oversight process includes receiving regular reports from board committees and members of senior management to enable our board to understand the company's risk identification, risk management and risk mitigation strategies with respect to areas of potential material risk, including operations, finance, legal, regulatory, strategic and reputational risk.

The audit committee reviews information regarding liquidity and operations, and oversees our management of financial risks. Periodically, the audit committee reviews our policies with respect to risk assessment, risk management, loss prevention and regulatory compliance. Oversight by the audit committee includes direct communication with our external auditors, and discussions with management regarding significant risk exposures and the actions management has taken to limit, monitor or control such exposures. The compensation committee is responsible for assessing whether any of our compensation policies or programs has the potential to encourage excessive risk-taking. The nominating and corporate governance committee manages risks associated with the independence of the board, corporate disclosure practices, and potential conflicts of interest. While each committee is responsible for evaluating certain risks and overseeing the management of such risks, the entire board is regularly informed through committee reports about such risks. Matters of significant strategic risk are considered by our board as a whole.

### **Board of Directors Meetings**

During 2020, our board of directors met four times. In that year, each director attended at least 75% of the total number of meetings held during such director's term of service by the board of directors and each committee of the board of directors on which such director served.

## Committees of the Board of Directors

We have three standing committees: the audit committee, the compensation committee and the nominating and corporate governance committee. Each of these committees has a written charter approved by our board of directors. A copy of each charter can be found under the Corporate Governance section of our website at [www.evokepharma.com](http://www.evokepharma.com).

### *Audit Committee*

The audit committee's main function is to oversee our accounting and financial reporting processes, internal systems of control, independent registered public accounting firm relationships and the audits of our financial statements. This committee's responsibilities include, among other things:

The members of our audit committee are Ms. Rhoads, Dr. Brady and Dr. Widder. Ms. Rhoads serves as the chairperson of the committee. All members of our audit committee meet the requirements for financial literacy under the applicable rules and regulations of the SEC and the Nasdaq Capital Market. Our board of directors has determined that Ms. Rhoads is an "audit committee financial expert" as defined by applicable SEC rules and has the requisite financial sophistication as defined under the applicable Nasdaq rules and regulations. Our board of directors has determined each of Ms. Rhoads, Dr. Brady and Dr. Widder is independent under the applicable rules of the SEC and the Nasdaq Capital Market. The audit committee met four times during 2020. The audit committee is governed by a written charter that satisfies the applicable standards of the SEC and the Nasdaq Capital Market.

### *Compensation Committee*

Our compensation committee reviews and recommends policies relating to compensation and benefits of our officers and employees. The compensation committee reviews and recommends corporate goals and objectives relevant to the compensation of our Chief Executive Officer and other executive officers, evaluates the performance of these officers in light of those goals and objectives and recommends to our board of directors the compensation of these officers based on such evaluations. The compensation committee also recommends to our board of directors the issuance of stock options and other awards under our equity plan. The compensation committee reviews and evaluates, at least annually, the performance of the compensation committee and its members, including compliance by the compensation committee with its charter.

The members of our compensation committee are Mr. Garner, Dr. Brady and Ms. Rhoads. Mr. Garner serves as the chairman of the committee. Our Board has determined that each of Mr. Garner, Dr. Brady and Ms. Rhoads is independent under the applicable rules and regulations of the Nasdaq Capital Market, and is a "non-employee director" as defined in Rule 16b-3 promulgated under the Exchange Act. The compensation committee met five times during 2020. The compensation committee is governed by a written charter, which the compensation committee reviews and evaluates at least annually.

### *Nominating and Corporate Governance Committee*

The nominating and corporate governance committee is responsible for making recommendations to our board of directors regarding candidates for directorships and the size and composition of our board of directors. In addition, the nominating and corporate governance committee is responsible for overseeing our corporate governance policies, reporting and making recommendations to our board of directors concerning governance matters and periodically reviewing and evaluating the performance of the Board.

The members of our nominating and corporate governance committee are Drs. Hill and Widder. Dr. Hill serves as the chairman of the committee. Our board has determined that Drs. Hill and Widder are independent under the applicable rules and regulations of the Nasdaq Capital Market relating to nominating and corporate governance committee independence. The nominating and corporate governance committee met two times during 2020.

### **Report of the Audit Committee of the Board of Directors**

The audit committee oversees the company's financial reporting process on behalf of our board of directors. Management has the primary responsibility for the financial statements, for maintaining effective internal control over financial reporting, and for assessing the effectiveness of internal control over financial reporting. In fulfilling its oversight responsibilities, the audit committee reviewed and discussed the audited financial statements in the company's annual report with management, including a discussion of any significant changes in the selection or application of accounting principles, the reasonableness of significant judgments, the clarity of disclosures in the financial statements and the effect of any new accounting policies.

We have reviewed and discussed with BDO USA, LLP our audited financial statements. We discussed with BDO USA, LLP the overall scope and plans of their audits. We met with BDO USA, LLP, with and without management present, to discuss results of its examinations, and the overall quality of the company's financial reporting.

We have reviewed and discussed with BDO USA, LLP matters required to be discussed pursuant to the Public Company Accounting Oversight Board Auditing Standard 1301 "Communications with Audit Committees." We have received from BDO USA, LLP the written disclosures and letter required by the applicable requirements of the Public Company Accounting Oversight Board regarding BDO USA, LLP's communications with the audit committee concerning independence. We have discussed with BDO USA, LLP matters relating to its independence, including a review of both audit and non-audit fees, and considered the compatibility of non-audit services with BDO USA, LLP's independence. The audit committee is not employed by the company, nor does it provide any expert assurance or professional certification regarding the company's financial statements. The audit committee relies, without independent verification, on the accuracy and integrity of the information provided and representations made by management and the company's independent registered public accounting firm.

In reliance on the reviews and discussions referred to above, the audit committee has recommended to the company's board of directors that the audited financial statements be included in our annual report for the year ended December 31, 2020. The audit committee and the company's board of directors also have recommended, subject to stockholder approval, the ratification of the appointment of BDO USA, LLP as the company's independent registered public accounting firm for 2021.

This report of the audit committee is not "soliciting material," shall not be deemed "filed" with the SEC and shall not be incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, whether made before or after the date hereof and irrespective of any general incorporation language in any such filing, except to the extent that we specifically incorporate this information by reference, and shall not otherwise be deemed filed under such acts.

The foregoing report has been furnished by the audit committee.

Respectfully submitted,  
The Audit Committee of the Board of Directors  
Ann D. Rhoads (Chairperson)  
Todd C. Brady, M.D., Ph.D.  
Kenneth J. Widder, M.D.

### **Compensation Committee Interlocks and Insider Participation**

Mr. Garner, Dr. Brady and Ms. Rhoads served on our compensation committee during 2020. None of the members of our compensation committee has ever been one of our officers or employees. None of our executive officers currently serves, or has served, as a member of the board of directors or compensation committee of any entity that has one or more executive officers serving as a member of our board of directors or compensation committee.

### **Director Nomination Process**

#### *Director Qualifications*

In evaluating director nominees, the nominating and corporate governance committee will consider, among other things, the following factors:

- personal and professional integrity, ethics and values;
- experience in corporate management, such as serving as an officer or former officer of a publicly-held company;
- development or commercialization experience in large pharmaceutical companies;
- experience as a board member or executive officer of another publicly-held company;

- strong finance experience;
- diversity of expertise and experience in substantive matters pertaining to our business relative to other board members;
- diversity of background and perspective, including with respect to age, gender, race, place of residence and specialized experience;
- conflicts of interest; and
- practical and mature business judgment.

The nominating and corporate governance committee's goal is to assemble a board of directors that brings to the company a variety of perspectives and skills derived from high quality business and professional experience. Moreover, the nominating and corporate governance committee believes that the background and qualifications of the board of directors, considered as a group, should provide a significant mix of experience, knowledge and abilities that will allow the board of directors to fulfill its responsibilities. Nominees are not discriminated against on the basis of race, religion, national origin, sexual orientation, disability or any other basis proscribed by law.

Other than the foregoing criteria for director nominees, the nominating and corporate governance committee has not adopted a formal policy with respect to a fixed set of specific minimum qualifications for its candidates for membership on the board of directors. The nominating and corporate governance committee may consider such other facts, including, without limitation, diversity, as it may deem are in the best interests of the company and its stockholders. The nominating and corporate governance committee does, however, believe it is appropriate for at least one, and, preferably, several, members of our board of directors to meet the criteria for an "audit committee financial expert" as defined by SEC rules, and that a majority of the members of our board of directors be independent as required under the Nasdaq qualification standards. The nominating and corporate governance committee also believes it is appropriate for our President and Chief Executive Officer to serve as a member of our board of directors. Our directors' performance and qualification criteria are reviewed annually by the nominating and corporate governance committee.

#### *Identification and Evaluation of Nominees for Directors*

The nominating and corporate governance committee identifies nominees for director by first evaluating the current members of our board of directors willing to continue in service. Current members with qualifications and skills that are consistent with the nominating and corporate governance committee's criteria for board of directors service and who are willing to continue in service are considered for re-nomination, balancing the value of continuity of service by existing members of our board of directors with that of obtaining a new perspective or expertise.

If any member of our board of directors does not wish to continue in service or if our board of directors decides not to re-nominate a member for re-election, the nominating and corporate governance committee may identify the desired skills and experience of a new nominee in light of the criteria above, in which case, the nominating and corporate governance committee would generally poll our board of directors and members of management for their recommendations. The nominating and corporate governance committee may also review the composition and qualification of the boards of directors of our competitors, and may seek input from industry experts or analysts. The nominating and corporate governance committee reviews the qualifications, experience and background of the candidates. Final candidates are interviewed by the members of the nominating and corporate governance committee and by certain of our other independent directors and executive management. In making its determinations, the nominating and corporate governance committee evaluates each individual in the context of our board of directors as a whole, with the objective of assembling a group that can best contribute to the success of our company and represent stockholder interests through the exercise of sound judgment. After review and deliberation of all feedback and data, the nominating and corporate governance committee makes its recommendation to our board of directors. To date, the nominating and corporate governance committee has not utilized third-party search firms to identify director candidates. The nominating and corporate governance committee may in the future choose to do so in those situations where particular qualifications are required or where existing contacts are not sufficient to identify an appropriate candidate.

The nominating and corporate governance committee evaluates nominees recommended by stockholders in the same manner as it evaluates other nominees. We have not received director candidate recommendations from our stockholders and do not have a formal policy regarding consideration of such recommendations. However, any recommendations received from stockholders will be evaluated in the same manner that potential nominees suggested by board members, management or other parties are evaluated. We do not intend to treat stockholder recommendations in any manner different from other recommendations.

Under our amended and restated bylaws, stockholders wishing to suggest a candidate for director should write to our corporate secretary and provide such information about the stockholder and the proposed candidate as is set forth in our amended and restated bylaws and as would be required by SEC rules to be included in a proxy statement. In addition, the stockholder must include the consent of the candidate and describe any arrangements or undertakings between the stockholder and the candidate regarding the nomination. In order to give the nominating and corporate governance committee sufficient time to evaluate a recommended candidate and/or include the candidate in our proxy statement for the 2022 annual meeting, the recommendation

should be received by our corporate secretary at our principal executive offices in accordance with our procedures detailed in the section below entitled “Stockholder Proposals.”

### Director Attendance at Annual Meetings

BDO USA, LLP has audited the company's financial statements for the years ended December 31, 2013 through December 31, 2020. Representatives of BDO USA, LLP are expected to be present at the annual meeting, will have an opportunity to make a statement if they so desire, and will be available to respond to appropriate questions.

Stockholder ratification of the selection of BDO USA, LLP as the company's independent registered public accountants is not required by Delaware law, the company's amended and restated certificate of incorporation, or the company's amended and restated bylaws. However, the audit committee is submitting the selection of BDO USA, LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the audit committee will reconsider whether to retain the firm. Even if the selection is ratified, the audit committee in its discretion may direct the appointment of different independent registered public accountants at any time during the year if the audit committee determines that such a change would be in the best interests of the company and its stockholders.

**Pre-Approval Policies and Procedures**

These services may include audit services, audit-related services, tax services and other services. The audit committee considers whether the provision of each non-audit service is compatible with maintaining the independence of our auditors. Pre-approval is detailed as to the particular service or category of services and is generally subject to a specific budget. Our independent registered public accounting firm and management are required to periodically report to the audit committee regarding the extent of services provided by the independent registered public accounting firm in accordance with this pre-approval, and the fees for the services performed to date.

**Vote Required; Recommendation of the Board of Directors**

The affirmative vote of a majority of the shares of common stock present or represented by proxy and entitled to vote at the meeting will be required to ratify the selection of BDO USA, LLP. **OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE STOCKHOLDERS VOTE TO RATIFY THE SELECTION OF BDO USA, LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2021. PROXIES SOLICITED BY OUR BOARD OF DIRECTORS WILL BE SO VOTED UNLESS STOCKHOLDERS SPECIFY OTHERWISE ON THEIR PROXY CARDS.**

**PROPOSAL 3**  
**APPROVAL OF THE COMPENSATION OF THE NAMED EXECUTIVE OFFICERS**

Under the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, or the Dodd-Frank Act, our stockholders are entitled to vote at the annual meeting to provide advisory approval of the compensation of our named executive officers as disclosed in this proxy statement pursuant to the compensation disclosure rules of the SEC. Pursuant to the Dodd-Frank Act, the stockholder vote on executive compensation is an advisory vote only, and it is not binding on us or our board of directors.

Although the vote is non-binding, our compensation committee and board of directors value the opinions of the stockholders and will consider the outcome of the vote when making future compensation decisions. We urge stockholders to read the Executive Compensation and Other Information section of this proxy statement, which describes in detail our executive compensation.

Consistent with the preference of our stockholders as reflected in our prior non-binding advisory vote on the frequency of future say-on-pay votes, we will hold a say-on-pay advisory vote each year unless otherwise disclosed.

We are asking our stockholders to indicate their support for our named executive officer compensation as described in this proxy statement. This proposal, commonly known as a “say-on-pay” proposal, gives our stockholders the opportunity to express their views on our named executive officers’ compensation. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this proxy statement. Accordingly, we ask that our stockholders vote “FOR” the following resolution:

“RESOLVED, that Evoke Pharma, Inc.’s stockholders approve, on an advisory basis, the compensation of the named executive officers, as disclosed in Evoke Pharma, Inc.’s Proxy Statement for the 2021 Annual Meeting of Stockholders, pursuant to the compensation disclosure rules of the SEC, including the Executive Compensation and Other Information, the 2020 Summary Compensation Table and the other related tables and disclosure.”

**Vote Required; Recommendation of the Board of Directors**

The affirmative vote of a majority of the shares of common stock present or represented by proxy and entitled to vote at the meeting will be required to approve the advisory vote regarding the compensation of the named executive officers. Abstentions will be counted toward the tabulation of votes cast on this proposal and will have the same effect as negative votes. Broker non-votes will have no effect on this proposal as brokers or other nominees are not entitled to vote on such proposals in the absence of voting instructions from the beneficial owner.

**OUR BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE FOR THE APPROVAL OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS AS DISCLOSED IN THIS PROXY STATEMENT PURSUANT TO THE COMPENSATION DISCLOSURE RULES OF THE SEC.**

#### PROPOSAL 4

### APPROVAL OF AN AMENDMENT TO THE COMPANY'S AMENDED AND RESTATED CERTIFICATE OF INCORPORATION TO INCREASE THE AUTHORIZED NUMBER OF SHARES OF COMMON STOCK

Our board of directors is requesting stockholder approval of an amendment to our Amended and Restated Certificate of Incorporation to increase our authorized number of shares of common stock from 50,000,000 shares to 100,000,000 shares.

The proposed amendment would amend the first sentence of ARTICLE FOURTH of the Amended and Restated Certificate of Incorporation to read in its entirety as follows:

“The Corporation is authorized to issue two classes of stock to be designated, respectively, Common Stock, par value \$0.0001 per share (“**Common Stock**”), and Preferred Stock, par value \$0.0001 per share (“**Preferred Stock**”). The total number of shares the Corporation shall have the authority to issue is One Hundred Five Million (105,000,000) shares, One Hundred Million (100,000,000) shares of which shall be Common Stock and Five Million (5,000,000) shares of which shall be Preferred Stock.”

The additional common stock to be authorized by adoption of the amendment would have rights identical to our currently outstanding common stock. Adoption of the proposed amendment and issuance of the common stock would not affect the rights of the holders of our currently outstanding common stock, except for effects incidental to increasing the number of shares of our common stock outstanding, such as dilution of the voting rights of current holders of common stock. If the amendment is adopted, it will become effective upon filing of a Certificate of Amendment of our Amended and Restated Certificate of Incorporation with the Secretary of State of the State of Delaware.

In addition to the 32,371,954 shares of common stock outstanding on February 28, 2021, our board of directors has reserved an aggregate of 6,544,570 shares of common stock for issuance upon exercise of options and other awards granted under our stock option plan, 1,841,879 shares of common stock for issuance upon exercise of warrants, and 344,574 shares of common stock for issuance upon purchases under our 2013 Employee Stock Purchase Plan.

Although, at present, our board of directors has no plans to issue the additional shares of common stock, it desires to have the shares available to provide additional flexibility to use our capital stock for business and financial purposes in the future. The additional shares may be used for various purposes without further stockholder approval, except as may be required in certain cases by law or the rules of the Nasdaq Stock Market. These purposes may include expanding our business or product lines through the acquisition of other businesses or products; raising capital; providing equity incentives to employees, officers or directors; establishing strategic relationships with other companies; and other purposes. We believe that the amendment will provide us with additional flexibility to meet business and financing needs as and when they may arise.

Any future issuance of additional authorized shares of our common stock may, among other things, dilute the equity and voting rights of those holding common stock at the time the additional shares are issued. Additionally, this potential dilutive effect may cause a reduction in the market price of our common stock. Further, the amendment could adversely affect the ability of third parties to take us over or change our control by, for example, permitting issuances that would dilute the stock ownership of a person seeking to effect a change in the composition of our board of directors or contemplating a tender offer or other transaction for the combination of us with another company that our board of directors determines is not in our best interests or in the best interests of our stockholders. Our board of directors however, does not intend or view this amendment as an anti-takeover measure, nor does it contemplate its use in this manner at any time in the foreseeable future.

#### **Vote Required; Recommendation of the Board of Directors**

The affirmative vote of the holders of a majority of the outstanding shares of our common stock will be required to approve this amendment to our Amended and Restated Certificate of Incorporation. Abstentions will be counted toward the tabulation of votes cast on this proposal and will have the same effect as negative votes. The approval of Proposal 4 is a routine proposal on which a broker or other nominee has discretionary authority to vote. Accordingly, no broker non-votes will likely result from this proposal.

**OUR BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE FOR THE APPROVAL OF THE AMENDMENT TO THE COMPANY'S AMENDED AND RESTATED CERTIFICATE OF INCORPORATION TO INCREASE THE AUTHORIZED NUMBER OF SHARES OF COMMON STOCK.**

Applicable percentage ownership is based on 32,371,954 shares of common stock outstanding on March 8, 2021. In computing the number of shares beneficially owned by a person and the percentage ownership of that person, shares of common stock subject to options, warrants or other rights held by such person that are currently exercisable or will become exercisable within 60 days of March 8, 2021 are considered outstanding, although these shares are not considered outstanding for purposes of computing the percentage ownership of any other person.

### **Executive Compensation Components**

#### *Independent Compensation Consultant and Comparable Company Compensation Information*

During 2020, our compensation committee retained Anderson Pay Advisors LLC (“APA”) as its independent compensation consultant. APA assisted the compensation committee in confirming a peer group of companies to be used in the compensation setting process. After review and consultation with APA, the compensation committee determined that APA is independent and there was no conflict of interest resulting from retaining APA during fiscal year 2020. In reaching these conclusions, the compensation committee considered the factors set forth in Exchange Act Rule 10C-1 and Nasdaq listing standards.

For purposes of determining 2020 executive compensation, a peer group of 23 life sciences companies in similar phases of development as us with the following characteristics was selected based on the following parameters and not on the basis of executive compensation levels:

- Market capitalization less than \$300 million
- Employee size less than 400 employees
- Peer group companies were located nationally

The 2020 peer group consisted of the following companies:

AcelRx Pharmaceuticals, Inc.	MEI Pharma, Inc.
Agile Therapeutics, Inc.	Northwest Biotherapeutics, Inc.
Aldeyra Therapeutics, Inc.	Onconova Therapeutics, Inc.
Brickell Biotech, Inc. (fka Vical Incorporated)	Paratek Pharmaceuticals
Cassava Science (fka Pain Therapeutics)	PDS Biotechnology Corporation (fka Edge Therapeutics, Inc.)
Celsion Corporation	Rigel Pharmaceuticals, Inc.
Cyclacel Pharmaceuticals, Inc.	Sesen Bio (fka Bevin Bio)
Cymabay Therapeutics, Inc.	Sorrento Therapeutics, Inc.
CyrTx Corporation	Syndax Pharmaceuticals, Inc.
Eiger Biopharmaceuticals, Inc.	Trevena, Inc.
Evoform Biosciences, Inc.	Verastem Inc.
Geron Corporation	

While our compensation committee reviewed the foregoing comparable company data in connection with its determinations of the 2020 base salaries, target bonuses and equity awards for our named executive officers, our committee did not attempt to set those compensation levels or awards at a certain target percentile with respect to the comparable company data or otherwise rely entirely on that data to determine named executive officer compensation. Instead, as described above and consistent with past practice, the compensation committee members relied on their judgment and experience in setting those compensation levels and making those awards.

We expect that the compensation committee will continue to review comparable company data in connection with setting the compensation we offer our named executive officers to help ensure that our compensation programs are competitive and fair.

### *Base Salaries*

In general, base salaries for our named executive officers are initially established through arm's length negotiation at the time the executive is hired, taking into account such executive's qualifications, experience and prior salary. Base salaries of our named executive officers are approved and reviewed annually by our compensation committee and adjustments to base salaries are based on the scope of an executive's responsibilities, individual contribution, prior experience and sustained performance. Decisions regarding salary increases may take into account an executive officer's current salary, equity ownership, and the amounts paid to an executive officer's peers inside our company by conducting an internal analysis, which compares the pay of an executive officer to other members of the management team. Base salaries are also reviewed in the case of promotions or other significant changes in responsibility. Base salaries are not automatically increased if the board of directors and compensation committee believe that other elements of the named executive officer's compensation are more appropriate in light of our stated objectives. This strategy is consistent with our intent of offering compensation that is both cost-effective, competitive and contingent on the achievement of performance objectives.

The actual base salaries paid to all of our named executive officers for 2020 are set forth in the "Summary Compensation Table" above.

In February 2020, our compensation committee approved base salary increases for 2020 for Messrs. Gonyer and D'Onofrio and Dr. Carlson to \$500,000, \$387,000 and \$367,000, respectively. These base salary increases represented adjustments of approximately 5.3%, 4.0%, and 4.3%, respectively.

In January 2021, our compensation committee approved base salary increases for 2021 for Messrs. Gonyer and D'Onofrio and Dr. Carlson to \$550,000, \$407,000, and \$392,000, respectively. These base salary increases represented adjustments of approximately 10.0%, 5.2% and 6.8%, respectively.

The base salaries of our named executive officers continue to be below the median level of similarly-situated executives for our peer group of companies.

### *Annual Cash Performance Bonuses*

Each named executive officer is also eligible for a performance bonus based upon the achievement of certain corporate performance goals and objectives approved by our compensation committee and board of directors.

Bonuses are set based on a percentage of the executive's base salary as of the end of the bonus year and are expected to be paid out in the first quarter of the following year. The target levels for 2020 executive bonuses were as follows: 50% for our Chief Executive Officer, 45% for our Executive Vice President and Chief Business Officer, and 40% for our Chief Medical Officer. The executive bonuses are 100% based on the achievement of corporate objectives that are set each year by the board of directors and the compensation committee. All final bonus payments to our named executive officers are determined by our compensation committee. The actual bonuses awarded in any year, if any, may be more or less than the target, depending on individual performance and the achievement of corporate objectives and may also vary based on other factors at the discretion of the compensation committee.

For 2020, the corporate performance objectives for our named executive officers were related to clinical and regulatory development, commercial development, and corporate financial objectives. These performance objectives and areas of emphasis were used as a guide by the compensation committee and board of directors in determining overall corporate performance for these executives as they represented those areas in which they were expected to focus their efforts during the year. Both qualitative and quantitative guidelines were established for purposes of evaluating performance relating to these corporate objectives during 2020. In coming to its final determination regarding the overall corporate achievement for 2020, our compensation committee noted our clinical and regulatory development goals, including (1) approval of the new drug application, or NDA, by FDA for Gimoti on June 19, 2020; (2) our commercial launch of Gimoti in October 2020; and (3) maintenance or adequate cash resources to continue operations and support pre-commercial activities. In addition, the compensation committee considered our cash management efforts which included managing cash and expenditures within budgeted levels. Based on its review of our overall performance relative to our corporate objectives, the compensation committee determined to award a corporate achievement level of 121% for our named executive officers.

The overall achievement level was then used to determine each named executive officer's bonus. The bonuses paid to our named executive officers for 2020 are set forth in the "Summary Compensation Table" above.

### *Equity Compensation*

The goals of our long-term, equity-based incentive awards are to align the interests of our named executive officers and other employees, non-employee directors and consultants with the interests of our stockholders. Because vesting is based on continued employment, our equity-based incentives also encourage the retention of our named executive officers through the vesting period of the awards. In determining the size of the long-term equity incentives to be awarded to our named executive officers, we take into account a number of internal factors, such as the relative job scope, the value of existing long-term incentive awards, individual performance history, prior contributions to us and the size of prior grants. Our compensation committee reviews competitive market data prepared by APA in connection with its grant of long-term equity incentive awards to the named

executive officers, but such awards are not determined by reference to any specific target level of compensation or benchmarking. Based upon these factors, the compensation committee determines the size of the long-term equity incentives at levels it considers appropriate to create a meaningful opportunity for reward predicated on the creation of long-term stockholder value. We have not granted any equity awards other than stock options to date.

To reward and retain our named executive officers in a manner that best aligns employees' interests with stockholders' interests, we use stock options as the primary incentive vehicles for long-term compensation. We believe that stock options are an effective tool for meeting our compensation goal of increasing long-term stockholder value by tying the value of the stock options to our future performance. Because employees are able to profit from stock options only if our stock price increases relative to the stock option's exercise price, we believe stock options provide meaningful incentives to employees to achieve increases in the value of our stock over time.

The exercise price of each stock option grant is the fair market value of our common stock on the grant date, as determined by our board of directors from time to time. Stock option awards granted to our named executive officers generally vest on a monthly basis over a four-year period. From time to time, our compensation committee may, however, determine that a different vesting schedule is appropriate.

In February 2020, our named executive officers were granted stock options to purchase shares of our common stock. Specifically, Messrs. Gonyer and D'Onofrio and Dr. Carlson were granted options to purchase 325,000, 200,000 and 200,000 shares of our common stock, respectively. Of such options, 50% vest on a monthly basis over a four-year period commencing January 1, 2020, and 50% vest on a monthly basis over a four-year period commencing June 19, 2020, the date that FDA approved the Gimoti NDA.

In January 2021, our named executive officers were granted stock options to purchase shares of our common stock. Specifically, Messrs. Gonyer and D'Onofrio and Dr. Carlson were granted options to purchase 415,000, 300,000 and 300,000 shares of our common stock, respectively. These options vest on a monthly basis over a four-year period commencing January 1, 2021.

We have had no program, plan or practice pertaining to the timing of stock option grants to named executive officers coinciding with the release of material non-public information. Stock options granted to our named executive officers may be subject to accelerated vesting in certain circumstance. For additional discussion, please see "Employment Agreements" above and "Termination and Change in Control Benefits" below.

### **Other Elements of Compensation**

#### *Retirement Plans*

We currently maintain a 401(k) retirement savings plan that allows eligible employees to contribute a portion of their compensation, within limits prescribed by the Internal Revenue Code, on a pre-tax basis through contributions to the plan. Our named executive officers are eligible to participate in the 401(k) plan. We believe that providing a vehicle for tax-deferred retirement savings through our 401(k) plan adds to the overall desirability of our executive compensation package and further incentivizes our named executive officers in accordance with our compensation policies.

#### *Employee Benefits and Perquisites*

Our named executive officers are eligible to participate in our health and welfare plans. We reimburse Dr. Carlson for her health care premiums and pay for the health and welfare benefits for our other named executive officers and our other four employees. We do not provide our named executive officers with any other significant perquisites or other personal benefits.

#### *Employee Stock Purchase Plan*

We maintain an employee stock purchase plan, or ESPP, that allows eligible employees to purchase our common stock at a discount, subject to applicable limits as set forth in the ESPP, through payroll deductions of up to 20% of their eligible compensation. All of our employees participate in the ESPP on the same terms and conditions.

#### *No Tax Gross-Ups*

We do not make gross-up payments to cover our named executive officers' personal income taxes that may pertain to any of the compensation paid or provided by our company.

#### *Termination and Change in Control Benefits*

Our named executive officers may become entitled to certain benefits or enhanced benefits in connection with certain qualifying terminations of employment and/or a change in control of our company. Each of our named executive officers' employment agreements entitles them to severance in the event of their termination without cause or their resignation for good reason (and, for Mr. Gonyer and Mr. D'Onofrio, upon termination by reason of death or disability). In addition, each named executive officer is entitled to accelerated vesting of all outstanding equity awards upon his or her termination without cause or their resignation for good reason within three months prior to the occurrence of a change in control or within 12 months following a change in control of our company. In addition, the occurrence of a change in control constitutes "good reason" for Mr. Gonyer's

and Mr. D'Onofrio's resignation under their employment agreements. For additional discussion, please see "Employment Agreements" above.

- (1) All of the options have a ten-year term from the original grant date (prior to giving effect to the stock option exchange in June 2019, which did not result in an extension of the original ten-year term of the options). The options granted on February 9, 2011 are vested in full. The options granted on June 17, 2019 represent options granted to the named executive officers pursuant to the stock option exchange completed on June 17, 2019. The options surrendered pursuant to the stock option exchange completed on June 17, 2019 were exchanged for a new unvested option covering a lesser number of shares determined in accordance with the "exchange ratio" with an exercise price of \$0.62 per share. All of the existing stock options that were surrendered by the employees had exercise prices significantly above the recent trading prices of our common stock and the average market price of our common stock over the prior 12 months. The new options vest monthly over four years, commencing June 17, 2019. Employees received three new options for every four eligible options surrendered, with this exchange ratio applied on a grant-by-grant basis and the resulting number of options rounded down to the nearest whole share. The new stock options retained the same expiration date as the surrendered stock options to which they related. The other terms and conditions of the new options are governed by the terms and conditions of our 2013 Equity Incentive Award Plan and the stock option agreements entered into thereunder.
- (2) Of the options granted on February 28, 2020, 50% vest on a monthly basis over a four-year period commencing January 1, 2020, and 50% vest on a monthly basis over a four-year period commencing June 19, 2020, the date that FDA approved the Gimoti NDA.

We also describe below certain other transactions with our directors, executive officers and stockholders. We believe the terms obtained or consideration that we paid or received, as applicable, in connection with the transactions described below were comparable to terms available or the amounts that would be paid or received, as applicable, from unaffiliated third parties.

### Employment Agreements

For more information regarding these agreements, see “Executive Compensation and Other Information—Narrative Disclosure to Compensation Table—Employment Agreements” above.

### Indemnification Agreements

Our amended and restated certificate of incorporation and our amended and restated bylaws provide that we will indemnify each of our directors and officers to the fullest extent permitted by the Delaware General Corporation Law. Further, we have entered into indemnification agreements with each of our directors and officers, and we have purchased a policy of directors’ and officers’ liability insurance that insures our directors and officers against the cost of defense, settlement or payment of a judgment under certain circumstances.

### Stock Option Grants to Executive Officers and Directors

We have granted stock options to our executive officers and certain of our directors as more fully described in the section “Executive Compensation and Other Information—Narrative Disclosure to Compensation Table—Equity Compensation” above.

### Other Transactions with Related Parties

### Policies and Procedures for Related Person Transactions

Pursuant to our audit committee charter, our audit committee is responsible for reviewing and approving all transactions with related parties which are required to be reported under applicable SEC regulations, other than compensation-related matters. We have not adopted written procedures for review of, or standards for approval of, these transactions, but instead our audit committee intends to review such transactions on a case by case basis.

## STOCKHOLDER PROPOSALS

Proposals from stockholders intended to be presented at our annual meeting of stockholders to be held in 2022 must be received by us no later than November 26, 2021, which is 120 days prior to the first anniversary of the mailing date of this proxy, in order to be included in our proxy statement and form of proxy relating to that meeting. These proposals must comply with the requirements as to form and substance established by the SEC for such proposals in order to be included in the proxy statement. In addition, our amended and restated bylaws establish an advance notice procedure with regard to certain matters, including stockholder proposals not included in our proxy statement and director nominations, to be brought before an annual meeting of stockholders. In general, notice of the proposal or nomination must be received at our principal executive offices not less than 90 calendar days before nor more than 120 calendar days before the one-year anniversary of the date of the previous year's annual meeting of stockholders. Therefore, to be presented at our 2022 annual meeting of stockholders, such a proposal must be received by us no earlier than January 5, 2022 and no later than February 4, 2022. However, if the date of the annual meeting is more than 30 days earlier or more than 60 days later than such anniversary date, notice must be received not less than 90 calendar days before nor more than 120 calendar days in advance of such annual meeting, or if later, ten calendar days following the date on which public announcement of the date of the meeting is first made. If the stockholder fails to give notice by these dates, then the persons named as proxies in the proxies solicited by the board of directors for the 2022 annual meeting may exercise discretionary voting power regarding any such proposal or nomination. Stockholders are advised to review our amended and restated bylaws which also specify requirements as to the form and content of a stockholder's notice.

## ANNUAL REPORT

Our annual report for the fiscal year ended December 31, 2020 will be mailed to stockholders of record on or about March 26, 2021. Our annual report does not constitute, and should not be considered, a part of this proxy solicitation material.

**Any person who was a beneficial owner of our common stock on the record date may request a copy of our annual report, and it will be furnished without charge upon receipt of a written request identifying the person so requesting a report as a stockholder of our company at such date. Requests should be directed to Evoke Pharma, Inc., 420 Stevens Avenue, Suite 370, Solana Beach, California, Attention: Corporate Secretary.**

## STOCKHOLDERS SHARING THE SAME ADDRESS

The rules promulgated by the SEC permit companies, brokers, banks or other intermediaries to deliver a single copy of proxy materials, or, where applicable, a Notice of Internet Availability of Proxy Materials, to households at which two or more stockholders reside. Each stockholder, however, still receives a separate proxy card if he or she receives paper copies. This practice, known as "householding," is designed to reduce duplicate mailings and save significant printing and postage costs as well as natural resources. Stockholders sharing an address who have been previously notified by their broker, bank or other intermediary and have consented to householding will receive only one copy of our proxy statement and annual report or Notice of Internet Availability of Proxy Materials. If you would like to opt out of this practice for future mailings and receive a separate proxy statement and annual report or Notice of Internet Availability of Proxy Materials for each stockholder sharing the same address, please contact your broker, bank or other intermediary. You may also obtain a separate proxy statement or annual report or Notice of Internet Availability of Proxy Materials without charge by sending a written request to Evoke Pharma, Inc., 420 Stevens Avenue, Suite 370, Solana Beach, California 92075, Attention: Corporate Secretary, or by calling (858) 345-1494. We will promptly send additional copies of the proxy statement or annual report or Notice of Internet Availability of Proxy Materials upon receipt of such request. Stockholders sharing an address that are receiving multiple copies of the proxy statement or annual report or Notice of Internet Availability of Proxy Materials can request delivery of a single copy of the proxy statement or annual report or Notice of Internet Availability of Proxy Materials by contacting their broker, bank or other intermediary or sending a written request to Evoke Pharma, Inc. at the address above or by calling (858) 345-1494.

**OTHER MATTERS**

We do not know of any business other than that described in this proxy statement that will be presented for consideration or action by the stockholders at the annual meeting. If, however, any other business is properly brought before the meeting, shares represented by proxies will be voted in accordance with the best judgment of the persons named in the proxies or their substitutes. All stockholders are urged to complete, sign and return the accompanying proxy card in the enclosed envelope.
